VOLUNTEER WITH US!

Join the ranks of over 900 volunteers who donate their time and energy to furthering the promotion of the skilled trades and technologies to Ontario's youth.

For more information on volunteer positions please visit www.skillsontario.com/volunteer

ACCESS A DIVERSE AUDIENCE

Position your organization as a **leader** in supporting the future of skilled trades and technology by participating in the annual **Career Exploration Showcase (CES)**. Held annually at the prestigious Skills Ontario Competition, CES is Ontario's premier **interactive and hands-on event** dedicated to career discovery!

This is your ideal opportunity to engage a diverse and highly motivated audience:

- **Future Professionals:** Directly guide young people who are actively investigating careers in skilled trades and technologies.
- **Key Influencers:** Inform and inspire the parents and educators who play a vital role in their career decisions.
- **Institutional Partners (Education):** Connect with decision makers from Colleges, School Boards, & Union Training Delivery Agents.
- **Industry Peers:** Network with fellow industry leaders to foster partnerships, supply chain opportunities, and business growth.

Your participation in the CES instantly positions you as a leading advocate of Ontario's skilled trades and technologies work force, demonstrating an active commitment to **cultivating excellence** among the next generation of skilled professionals.

← **40,000+** →

Spectators over the 2 day show!

Our official event hashtag, #SOC2025
received over 80,000 social impressions!

**WE PROVIDE THE OPPORTUNITY,
YOU PROVIDE THE INTERACTIVE TRADES EXPERIENCE.**

HOW TO REGISTER

Follow the prompts to fill out our Online Registration Form at:
www.skillsontario.com/exhibitors

Registration Opens: Friday, December 12th, 2025

Deadline for booth registrations: Friday, April 3rd, 2026

Requests for specific booth locations will be considered and may be prioritized based on level of sponsorship.

As Canada's largest skilled trades and technology event with 40,000 spectators over 2 days, we operate a bit differently than a traditional trade show. Instead of booth sales, we work in partnership with partners, where sponsorship helps fund and deliver this event for students, educators, and industry partners across Ontario. Because of limited space and our collaborative model, booths are offered exclusively as part of sponsorship packages only. For more information about partnership, please contact Paul Clipsham at pclipsham@skillsontario.com

LUNCHES

The SKETCH Restaurant within the Toronto Congress Centre will be open for Exhibitors displaying an Exhibitor Wristband only to purchase food and drinks. Onsite food trucks as well as local restaurants around the venue are available to purchase food from. Please visit <https://www.skillsontario.com/competition-visitors#Food> for more information. Please note that large attendance numbers may result in long line-ups at the Food Trucks and local restaurants. As such we encourage those who can, to bring a packed lunch or use the SKETCH Restaurant. Limited seating will be available both indoors and outdoors.

ACCOMMODATIONS

Visitors and competitors of the annual Skills Ontario Competition visit at the Toronto Congress Centre from all over the province, and even outside Ontario! Sometimes, this means accommodations are required for overnight travel. Skills Ontario works with hotels close to the vicinity of the venue to secure several different group options and rates for visitors to book. The hotels and group rates are generally posted to the Skills Ontario website near the start of the school year/fall. Visitors can follow the instructions listed with each hotel on how to book. There is a deadline allocated with each hotel for when the group rate is no longer available. At that time, the hotel will be removed from the Skills Ontario website, or removed if and when a block has been filled.

For hotel specific information including locations and how to book, please visit our website at

skillsontario.com/competition-visitors#Hotels

When planning your booth and its interactive components, we encourage you to consider the full spectrum of our audience. With an estimated 40,000+ attendees, your engagement opportunities extend well beyond student recruitment. To maximize your return on investment, consider how your booth appeals to our four key demographic groups:

- **Future Workforce (Students):** Engage with students (Primarily Grades 5-12) to spark interest and inspire the next generation of skilled tradespeople.
- **Influencers (Parents/Guardians):** Provide information to the key decision-makers guiding students' career paths.
- **Institutional Partners (Education):** Connect with decision makers from Colleges, School Boards, & Union Training Delivery Agents.
- **Industry Peers:** Network with fellow industry leaders to foster partnerships, supply chain opportunities, and business growth.

Safety Requirements

SAFETY REQUIREMENTS

The tradeshow industry has stringent safety standards, which Skills Ontario adheres to. The following precautions must be followed by exhibitors:

STRUCTURES OVER 10' HIGH

Approval by **Friday, April 3, 2026**

This is a Toronto Congress Centre (TCC) policy and the ultimate decision is made by the TCC. Approval from Skills Ontario must be obtained for any planned structure over 10 feet high.

All working at height safety standards must be adhered to when considering a structure over 10' high.

Skills Ontario will require any unauthorized structures to be disassembled. Specific times may be assigned for large structures to be built Friday May 1. During these times our sites will be designated as Construction Areas and will require all exhibitors & hired booth construction crews who are onsite to wear the personal protective equipment (PPE) described in the next section.

Approval requests can be sent to the Career Exploration Showcase Coordinator jstclair@skillsontario.com

REQUIRED PPE (PERSONAL PROTECTIVE EQUIPMENT)

All individuals who plan to be onsite during setup or tear-down must provide their own PPE. Skills Ontario does not provide PPE. PPE (CSA approved steel-toed shoes/boots with green triangle) must be worn at all times when the premises is designated a Construction Area, this will be strictly enforced. Times when premises is designated a Construction Area are outlined on page 6.

BRINGING HAZARDOUS MATERIALS ONSITE

Approval by **Friday, April 3, 2026**

Approval from Skills Ontario must be obtained for any hazardous materials that are to be brought onsite at any time. Any material (hazardous or not) identified by WHMIS must be accompanied by the appropriate Safety Data Sheets (SDS) and is to be handed in to Skills Ontario to keep in the master binder on-site for the Fire Department and others.

Approval requests can be sent to the Career Exploration Showcase Coordinator jstclair@skillsontario.com

EMERGENCY PROCEDURES

An Event Safety Manual will be provided to exhibitors before the show dates with detailed instructions in case an emergency situation should arise.

Exhibitors should familiarize themselves with the Event Safety Manual and the posted emergency exits prior to arrival. In the event of an emergency situation that requires evacuation, exhibitors are responsible to evacuate themselves and their staff from the building. All specific instructions will be included in the Event Safety Manual.

Electrical & Special Requirements

ELECTRICAL & SPECIAL REQUIREMENTS

***Anything taped to floor must be done with Non-Marking Tape (Ex. Gaffer Tape)**

Any tape residue left from marking tape (ex. Duct Tape) may result in a clean-up fee determined by discretion of the Toronto Congress Centre and will be invoiced post-event. This is charged based on the labor hours required to remove the tape residue from the floor.

By Friday, April 3, 2026

All electrical equipment must be CSA approved. All electrical needs must be ordered through SHOWTECH (Exhibitor booths do not come with outlets, power bars, or extension cords). Extension cords and power bars are not provided. Please ensure you bring enough cords for your space.

CONNECTING ELECTRICAL EQUIPMENT

Ensure you are following these guidelines when plugging in any piece of electrical equipment.

All ordered outlets are supplied to the back of the booth unless otherwise specified. Only electrical wiring ordered through SHOWTECH is permitted to go under carpeting, all other electrical wires brought to the TCC and not provided by SHOWTECH are NOT permitted to run under the carpet or flooring. Permanent building receptacles and columns are not part of booth spaces and may not be used by exhibitors.

Skills Ontario and its agents reserve the right to inspect any and all equipment and materials which a vendor/exhibitor may wish to have connected to the facility's power sources and/or may wish to use while in the facility. Only those authorized by Skills Ontario are permitted to make a connection to any of the building's electrical or mechanical sources. Skills Ontario is not responsible for damages or expenses incurred due to power surges, spikes or loss of power during, before or after the show.

WATER & DRAINAGE REQUIREMENTS

All installations and connections to be made to the building's sources of water and/or all connections with drains, must be made by an authorized SHOWTECH employee, or an individual authorized by SHOWTECH and Skills Ontario.

All requests must be submitted with documentation regarding preferred locations, specifications and any special requirements, and will be subject to additional charges pending approval by Skills Ontario.

BEFORE THE SHOW

Shipping Materials in Advance of the Show | Large Item Delivery & Set-Up

SHIPPING MATERIALS IN ADVANCE OF THE SHOW

Direct shipments may not arrive at the Toronto Congress Centre before Wednesday, April 29, 2026. Any material received prior to Wednesday, April 29, 2026 will not be received by Skills Ontario staff, and will not be accepted or held by Toronto Congress Centre staff.

Materials can be delivered during the following dates:

- Wednesday, April 29, 2026
- Thursday, April 30, 2026
- Friday, May 1, 2026
- Saturday, May 2, 2026 **before noon***

***although a truck can be unloaded via forklift or manual pump cart, they can not be distributed to booths the same way they can be during construction zone times (wed-fri) as there are no forklifts on the weekend where ever possible**

PLEASE SEE THE MANDATORY SKILLS ONTARIO SHIPPING LABEL ON THE NEXT PAGE OF THIS PACKAGE.

PLEASE NOTE, IT IS MANDATORY TO USE THE SKILLS ONTARIO LABEL AND FILL OUT THE LABEL ACCORDINGLY for all incoming and outgoing materials. This is inclusive of individual boxes, skids, and equipment. THIS LABEL IS THE MAIN WAY TO ENSURE YOUR SHIPMENTS ARRIVE AND ARE DELIVERED TO THE CORRECT LOCATION WITHIN THE TORONTO CONGRESS CENTRE. Must be specific on the form of contest name, or booth name. This is also for tear down when staging to ensure items go on the correct trucks.

* While shipments can arrive and will be delivered to booth space, exhibitors and booth setup crews can not set up till Saturday May 3rd As per dates and times outlined on page 6 of this manual.

There is NO Onsite Storage during the show. Please ensure if you have hired a booth set up crew, that they are aware of this, and are NOT to leave items laying in the isle way for Skills Ontario to clean up and store. It is highly recommended to either incorporate storage space within your assigned booth area OR be prepared to store skids, packing containers, etc. in vehicles/trailers. If you require space for an extremely large or oversized crate that can not be stored in a vehicle or trailer, you must notify Jack St.Clair, CES Coordinator: jstclair@skillsontario.com by April 3rd, 2026.*

*Note: There are exceptional circumstances to this and each year there is potential for limited storage space to become available during the event. In these circumstances, Skills Ontario reserves the right to invoice at a rate of \$50 per skid/packing container (up to a maximum of 3 skids/packing containers per organization) requiring storage space outside of your booth. If it is a large or oversized crate it will be invoiced at a rate of \$100 each if space is available. *Special In-Kind Sponsors Please Disregard.

LARGE ITEM DELIVERY & SET-UP

Confirmed and approved with Skills Ontario by Friday, April 3, 2026

If any oversized items must be transported or driven into your space to be dropped off, times must be arranged with the Career Exploration Showcase Coordinators prior to April 3, 2026.

All large items must arrive between Wednesday, April 29, 2026 and Friday, May 1, 2026 at 12:00pm, unless otherwise specified. Please note that large items can only be delivered during these times and setup of these items cannot begin until exhibitor setup dates and times outlined on page 6. If delivery is delayed, we cannot guarantee any items arriving after noon on Friday, May 1, 2026 will be transported to your booth, unless arranged in advance with Skills Ontario. Approval requests can be sent to the Career Exploration Showcase Coordinator jstclair@skillsontario.com

All special requests are subject to review and are not guaranteed until confirmed by Skills Ontario. Skills Ontario and SHOWTECH reserve the right to inspect any and all equipment and materials which a vendor/exhibitor may wish to have connected to the facility's power sources and/or may wish to use while in the facility. Only those authorized by Skills Ontario are permitted to make a connection to any of the building's electrical or mechanical sources.

SHOW RULES & REGULATIONS

- Advertising of organizations other than your own on purchased sponsorship advertising opportunities (pop-up and hanging banners) and any other items within booth except equipment is strictly prohibited.
- Exhibitors are not allowed in the contest sites, unless pre-approved by Skills Ontario staff.
- Please ensure that you are wearing your exhibitor wristband for access to the SKETCH Restaurant.
- Competitor access to the premises is strictly prohibited until Monday morning as weekend access would pose an unfair advantage against those competitors who did not get a sneak peak at the competition grounds. *This may pose a conflict if a competitor is scheduled to help with booth set-up during the weekend and competes in a competition held on the Monday or Tuesday. Please reach out with any questions or concerns.
- While interactive exhibits are strongly encouraged, please refrain from providing messy activities such as ones that involve soil, noisy take-away objects, large take-away objects, take-away objects which are hard to dispose of or take-away objects that could be used for unintended purposes by competition participants causing harm.

UNLOADING AND LOADING

All deliveries are to be made to **loading docks 5-22 on the west side** of the building. All large items for delivery need to be reviewed for requirement of unique logistics and be directed to a different door number. Please arrange all Large Item Deliveries with Skills Ontario **prior to Friday, April 3, 2026.**

Please notify our delivery coordinator Caitlin Vollum, cvollum@skillsontario.com, with the delivery date and pick up date once confirmed.

Upon arrival, specify to the shipping/receiving staff that you are unloading material for the Career Exploration Showcase. If you have any questions or concerns, please approach anyone with a radio and ask them to contact the dockmaster, Hayley MacKay.

POST-SHOW SHIPMENTS

Exhibitors are responsible for arranging all aspects of post-show shipments, including shipping company labels, and placing the Skills Ontario Shipping Label (assists in smooth operation on site making it from your booth to the staging area and docks), way bills, and scheduling the pick up of any equipment and materials brought in. **Please continue to use the Skills Ontario provided shipping label (located on Page 15 of this package) for return shipments.**

If your departing materials are being returned to you via a third party - please ensure proper use of the appropriate bills of lading. The shipment must be packaged appropriately for pick-up. Your shipments must be shipped pre-paid on your own account, including all applicable customs and freight charges. *All items must be picked up by 5pm on Wednesday, May 6, 2026.

FORKLIFT USAGE & TRAILERS

If you require use of a forklift, please connect with the Marshal or Skills Staff in your area. They will arrange for someone with a forklift to assist you. Forklifts do not need to be scheduled ahead of time, however please note there are a limited number of forklifts and delivery of forklift could be delayed based on demand. Only those approved by Skills Ontario, who are certified, are to drive a forklift. Exhibitors and volunteers are not to drive forklifts and/or skyjacks that are on-site.

SECURITY AND INSURANCE

Exhibitors are required to provide a staff member in their booth during the show hours listed in the Show Schedule listed on Page 6. The Toronto Congress Centre has 24/7 security, and outside of show days, entrance is only available through Security Door 4. Although security does regular walk through during open and after hours, Skills Ontario does not accept responsibility for the goods and equipment left at exhibitor booths. Exhibitors are reminded that Commercial General Liability (CGL) insurance coverage with limits of not less than five million dollars (\$5,000,000 CAD) per occurrence, should take effect from the day the goods are delivered to the venue and should remain in effect until the exhibit materials are removed.

BEST BOOTH AWARDS

Judging for Best Booth awards will take place throughout the event starting at 9:00 AM Monday, May 4th, 2026. Winning Booths will be awarded between 2:00pm-3:30pm on Tuesday, May 5, 2026. Every booth at the Career Exploration Showcase will be evaluated by a panel of judges on Monday May 4, 2026 and Tuesday May 5, 2026.

ELIGIBILITY & CRITERIA

To qualify for this award, booths must have registered with Skills Ontario as part of the Career Exploration Showcase, and must adhere to the outlined 2026 Career Exploration Showcase hours of operation.

Booths will be judged by the following criteria:

- 1) Interactivity - Is the booth able to balance skilled trades and technology education with entertainment through an interactive activity?
- 2) Educational Value - Can the visitor walk away with new knowledge of skilled trade or technology skills?
- 3) Relevance to Skilled Trades and Technologies - Is the booth promoting careers in the skilled trades or technologies?
- 4) After Effect - Will the visitor remember the booth and the skilled trade or technology activity they experienced?
- 5) Bonus Point - Does your booth have at least one bilingual French speaking staff member? Please ensure to fill out the bilingual staff section of the online registration form so that your booth can be marked in red on the floorplan and featured in the competition passport activity, driving additional traffic and attention towards your booth. All booths properly registered indicating presence of a French speaking booth staff will receive a bonus point in the Best Booth Awards judging process.

CATEGORIES

First and second place awards will be awarded to exhibitors in three categories:

- Large Booth category
(Four or more 10'x10' spaces)
- Medium Booth category
(Two to three 10'x10' spaces)
- Small Booth category
(One 10 x 10 space)

AWARDS

First place booths will receive:

- One free booth at the 2027 Career Exploration Showcase.

First, Second, and Third place booths will receive:

- A trophy to display in the booth during the 2027 Career Exploration Showcase
- Recognition in the Skills Ontario Newsletter, Summer 2026
